(e.g. teachers, police officers)
Suitable identification and screening checks relevant to the role should also be undertaken and risks identified**

Requiring a Working with Children Check is at the discretion of the school principal.
Other suitability and identification checks, if any, relevant to the role should be undertaken and risks identified**

NOTE: A Working with Children check is recommended where the visitor/volunteer will regularly be present at the school and/or children can reasonably be expected to be present.

NOTE: Parents are legally exempt from the requirement to hold a WWC check when volunteering in an activity in which their child normally participates. Although in this case it is at the discretion of our school – we recommended a WWC in most circumstances where the parent is regularly involved in the volunteer activity and working directly with children and/or the nature of the activity poses a higher risk, e.g. overnight camps, swimming, or activities involving close contact, etc.
